ACTIVITY 1- COLOURING WORKSHEET

ACTIVITY 2: READING STORIES

Stories are so much fun for our young learners. They love listening to stories if you make it a fun-filled experience for them and not just a reading session. You can teach the children any concepts through stories, hence get started with colourful storybooks to get their attention.

Benefits of reading books daily to your children:

- Builds a child's vocabulary.
- They use the new words in their daily conversation.
- Builds confidence while communicating in front of an audience.
- Read and write independently, as they will be able to identify the words from daily reading.
- Enhance their thinking skills.
- Develop their own perspective and respect others opinion.
- Get creative in their own imagination and stimulate curiosity.

Parents kindly encourage your wards for picture reading and story books on daily basis.
