Dear Parents,

Greetings from NIHS!

- ❖ Kindly find enclosed Holiday Homework for your ward. It is to be done during winter holidays i.e. from **Dec 31, 2025 to Jan 15, 2026**.
- ❖ Help your ward to complete his/her work and submit the same on **Jan 16, 2026** when school reopens after winter holidays.
- ❖ To complete the Holiday Home work, motivate the child to do the activity by himself/herself under your supervision.
- ❖ Kindly make your ward to revise the work done in notebook

Note: Utilize free time of your child by promoting reading good books, watch motivating videos / films, do physical activity and engage in home task of daily routine. Teach them the core values of your family and keep socializing for celebrations & spreading happiness. Looking forward to greet them with cheerful faces Next Year!

What an exciting time of year! The New Year is a great time of year for reminiscing and looking forward to new adventures. Often there are parties, fireworks and family gatherings that we all love. Children can join in the fun with bright and colourful New Year crafts.

ACTIVITY 1- COLOURING WORKSHEET

ACTIVITY 2: READING STORIES

Stories are so much fun for our young learners. They love listening to stories if you make it a fun-filled experience for them and not just a reading session. You can teach the children any concepts through stories, hence get started with colourful storybooks to get their attention.

Benefits of reading books daily to your children:

- Builds a child's vocabulary.
- They use the new words in their daily conversation.
- Builds confidence while communicating in front of an audience.
- Read and write independently, as they will be able to identify the words from daily reading.
- Enhance their thinking skills.
- Develop their own perspective and respect other's opinion.
- Get creative in their own imagination and stimulate curiosity.

Parents kindly encourage your wards for picture reading and story books on daily basis.

THEME-ANIMAL KINGDOM

ACTIVITY 3- ORIGAMI COOTIE CATCHER (FARM ANIMAL)

Farm animals are animals that are raised and kept for agricultural purposes. They include cows, chickens, horse, pigs, geese and more.

Kids absolutely love farm animals – they're a staple part of primary school learning, especially in younger kids, and seem to have transfixed children for generations. It's important to teach about farm animals for kids and how farms work, for a variety of reasons. For one, it's really important kids know and understand where their food comes from. This can help kids appreciate their meals more, understand the complicated process of how it ends up on their plate, and have some awareness for the issues surrounding this – food doesn't (all) grow on trees!

Material Required:

- Origami Sheet
- Googly Eye
- Sketch Pens
- Fevicol

ACTIVITY 4 -CRAFT ACTIVITY (WILD ANIMALS)

Wild animals are animals which are not domesticated. Like lions, bears etc. The wild animals are the animals that live on their own without any help from people, a wild animal finds its own shelter, food, water and all other needs. The wild animals refers to undomesticated animals. Wild animals are usually found in the forests as they are quite dangerous so they are not found on roads.

Create one of the given Wild Craft Activity
