SUPER PARENTS' SUMMER GUIDE

➤ **Create a quiet and comfortable study space for your child.**

Ensure that your child has a clean, well-lit, and distraction-free area to complete homework and assignments. Avoid television, loud music, or unnecessary interruptions during study time.

➤ **Keep all learning materials ready and organized.**

Make sure your child has easy access to notebooks, pencils, colours, scissors, glue, dictionaries, and other required materials. Preparing in advance helps children work independently and confidently.

➤ **Encourage a daily routine and proper time management.**

Set a fixed schedule for study, play, meals, and sleep. A balanced routine helps children stay disciplined and reduces stress during homework time.

➤ **Promote reading habits during the summer break.**

Encourage your child to read storybooks, newspapers, poems, or informative articles daily. Reading improves vocabulary, imagination, and communication skills.

➤ **Appreciate effort and encourage independent learning.**

Allow children to think, explore, and complete tasks on their own. Guide them whenever necessary, but encourage them to find solutions independently to build confidence and problem-solving skills.

➤ **Limit screen time and encourage creative activities.**

Reduce excessive use of mobile phones, television, and video games. Motivate children to engage in drawing, crafting, gardening, puzzles, music, yoga, and outdoor games.

➤ **Spend quality family time together.**

Talk to your child, listen to their ideas, and involve them in simple household activities. Positive family interactions help in emotional and social development.

➤ **Encourage healthy eating and physical fitness.**

Provide nutritious meals, seasonal fruits, and plenty of water during summer. Motivate your child to participate in physical activities, exercise, or yoga regularly.

➤ **Make learning fun and activity-based.**

Use everyday experiences such as cooking, shopping, travelling, or gardening as opportunities for learning maths, language, and life skills in an enjoyable manner.

➤ **Celebrate your child’s creativity and achievements.**

Display their artwork, appreciate their efforts, and motivate them to try new things. Positive encouragement builds self-esteem and enthusiasm for learning.

Your attitude towards learning greatly influences your child. Encourage curiosity, patience, and a joyful approach towards completing holiday homework and activities.
