

ANNUAL REPORT 2025–26

New India High School, Pinjore

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

It is an enduring tradition to pause at the end of an academic year, reflect upon the journey undertaken, celebrate the milestones achieved, and look forward to the opportunities and challenges that lie ahead. The academic session 2025–26 has been a year of learning, growth, achievement and new possibilities for New India High School, Pinjore. With gratitude to the Almighty for His blessings, we take immense pride in presenting the Annual Report of our school.

Since its inception, NIHS has been steadily progressing from one milestone to another, and the session 2025–26 has been no exception. The school has continued to excel in both academic and co-scholastic domains. This success has been made possible through the collective efforts of our dedicated teachers, hardworking students, supportive parents and visionary Management. On this occasion, I extend my heartfelt gratitude to each one of them for their continued trust, guidance and cooperation.

Auspicious Beginning – SHALA PARVESH SANSKAR

Swami Dayanand Saraswati emphasised the importance of Deva Yajna as one of the duties of human life. Keeping this sacred tradition alive, New India High School, Pinjore organised an auspicious Yajna ceremony on the school campus at the commencement of the new academic session 2025–26. The ceremony marked a spiritually enriching beginning to the session and invoked the blessings of the Almighty for the well-being, success and prosperity of our students and the entire school community.

Let us continue this journey together—with faith, determination, positivity and an unwavering commitment to excellence.

May our students continue to soar higher, dream bigger and achieve greater heights.

God Bless You All.

Thank you.

One important correction: 95% is higher than 94%, so Archita and Suhana cannot be listed as “second position” while Ananya is listed as “first position.” If you give me the exact first/second/third positions, I can insert them correctly and make the report even more suitable for Principal’s Annual Report speech/presentation.
